

# Securing the future of aerospace across the UK

A conference for  
**Local Enterprise Partnerships  
and Devolved Administrations**

**The future global aerospace market is estimated  
to be worth over \$5trillion over the next 20 years.**

This conference will provide an opportunity for discussion to understand the UK's aerospace priorities at a national, regional and local level. How can the Aerospace Growth Partnership, Local Enterprise Partnerships and Devolved Administrations work together to create conditions that encourage investment, which in turn delivers high value jobs and sustainable growth to all parts of the UK?

**Speakers include:**

Colin Smith CBE (*Group President of Rolls-Royce, Chair of AGP*)  
and other industry representatives

**Woodland Grange,  
Old Milverton Lane, Leamington Spa,  
Warwickshire, CV32 6RN**

**Thursday 25th May 2017  
09:30-16:00**
