

Chris Pett

Chris Pett is Supply Chain Director for BAE Systems Air sector, responsible for all supply chain activities on the Future Combat Air System (FCAS) programme. With over 20 years of experience in the Defence sector, Chris has been instrumental in delivering some of the UK's most advanced aerospace programmes for both domestic and international customers. Now in his fifth year on FCAS, he has played a pivotal role in establishing and mobilising Edgewing while spearheading a transformative, digital-first supply chain strategy designed to accelerate delivery of the 6th Generation Global Combat Air Programme (GCAP).
